# Appian Academy

Practice in Appian
## Tour a Record Type

In this exercise, you will familiarize yourself with Appian Designer. Complete this exercise after you have watched the Records Design lesson.

1. Sign in to your Appian Community Edition environment. If you do not have an Appian Community Edition environment, refer to these resources:
    - [Getting your Appian Community Edition](#)
    - Video: [Getting Started Free with Appian Community Edition](#)

2. Go to Appian Designer by clicking the **Navigation** button ▦ next to your avatar and selecting **Appian Designer** from the dropdown.

3. In the **Applications** view, open the **Build Me Application**.

4. From the **Explore** view, under the **RECORD TYPES** section, open the **BMA Employee** record type.

5. Once in the record type, follow the prompts to complete the tour. Then return to your Academy Online course, Application Architecture, to continue with the Quiz: Records Design.

This exercise was developed for **Appian 23.1**. If you are using a different version, please see **Appian Community** for information about updating your environment to the current version.
